Saumya Samridhi

Delhi, India

Email address: saumyavns2@gmail.com

Phone: +91-8527891648

LinkedIn: https://www.linkedin.com/in/saumya-samridhi

Gender: Female **Date of birth**: 26/08/2002 **Nationality**: Indian

EDUCATION

Sept 2023 – May 2025

MSc Applied Microbiology

Banaras Hindu University

Banaras, India

CGPA: 9.11/10

Advanced applied microbiology training, involving routine microbial culturing biochemical characterization, and standard molecular biology workflows applied across medical, environmental, and industrial research contexts

Oct 2020 – May 2023

BSc Honours Microbiology

University of Delhi

Delhi, India

CGPA: 8.73/10

Foundational microbiology training providing strong conceptual depth in cellular biology, bacteriology, structured laboratory training in core biological techniques

PROJECTS

Jan 2025 – April 2025

Masters Dissertation Researcher

Jawaharlal Nehru University

Supervisor: Dr. Abhinav Grover

- **Title**: In-Silico Discovery of Sterylglucosidase Inhibitors Targeting *Cryptococcus neoformans* Pathogenesis
- Performed molecular docking, simulations, binding energy analysis and interaction visualizations

WORK EXPERIENCE

July 2022 – August 2022

JNCASR Summer Research Fellow

National Institute of Mental Health and Neurosciences

Bengaluru, India

- Gained exposure to experimental workflows in Parkinson's disease research with emphasis on protein and tissue level analysis
- Developed methodological understanding of cryosectioning, histological staining, and advanced microscopy
- Observed experimental data generation and interpreted in research setting

Summer Research Intern

Dr. B.R. Ambedkar Center for Biomedical Research (DU)

June 2022 – June 2022 Delhi, India

- Acquired broad exposure to molecular biology research pipelines used in cancer biology through interaction with multiple doctoral researchers
- Got exposure to routine mammalian cell culture maintenance

Achievements and Awards

2025 – 2028 **Graduate Aptitude Test in Engineering (GATE) – 90+ Percentile**
Biotechnology & Life Sciences

2023 – 2025 **UGC National Scholarship for Postgraduate Studies**

2020 – 2021 **Academic Excellence Award**
Conferred for top academic performance (highest CGPA) in the first year of undergraduate studies in Microbiology, University of Delhi.

Skills

Experimental & Analytical Skills

Microbiological Techniques - Culturing, aseptic handling, staining, microscopy
Molecular Biology Techniques - DNA isolation, electrophoresis, SDS PAGE
Biochemical Assays - Enzyme based and spectrophotometric analysis, standard colorimetric estimations

Computational & Data Analysis Skills

Molecular Visualization: UCSF Chimera, Discovery Studio
Bioinformatic Databases & Data analysis: BLAST, PDB, OriginPro
Scientific documentation & presentation: LaTeX, Microsoft Office, Biorender

Workshops

2023 **Computational Neuroscience & AI**
IIT Delhi – IBRO Spring School

2023 **Role of AI in Research & Patient Management**
AIIMS Delhi

Certifications

University of Delhi Basic Statistics for Biological Sciences

Language Skills

Hindi – C1
English – C1

Volunteering

Secretary, Mikrobiologika – Departmental Microbiology Society
Coordinated student-led academic activities, seminars, and departmental events
Facilitated communication between students and faculty for society initiatives

Teaching & Mentoring Experience
Assisted peers and junior students in laboratory techniques and conceptual understanding of microbiology
